

**Declaration of Properties Form**

Please use this form to record details of all the properties you own/manage and intend to rent to students. If you are not displaying all your properties in Unipol but they will be covered by the Code of Standards you will need to include these properties. Even if you have completed an accommodation details form you should include that property on this list. If this form is not returned with the adverts it may delay the advertising of your property. *If declaring **bedsits** that are located in the same building, please state the total number.*
