

Advertising in the Unipol Housing Magazine 2016

All adverts are for full colour and for inside the magazine only. These costs are based on photos and text being provided to Unipol staff. Advertisement artwork should be supplied as EPS (our preferred option), PDF or high quality JPEG. Photos should be supplied in TIFF, JPEG or GIF format.

If you would like to place an advert you can choose one of two options.

Option 1: take a full, half or quarter page advert and supply your own artwork. We can help you with your artwork but there may be an additional cost for this. If you supply your own artwork Unipol may have to change the font but we will send you a proof beforehand.
