

# Special Arrival Information for Mill Street Tenants

Arrivals by car - Friday 16th, Saturday 17th, Sun 18th September 10am - 4pm

Mill Street has a fantastic city centre location, but this does mean it has a small drop-off area only. There are 300 students moving in to Mill Street on this weekend and we wish to ensure everyone can move in with ease.

**The driver of the vehicle will be required to stay with the vehicle and move it off the site immediately after dropping off bulky or heavy items. The waiting time is 10 minutes.**

If the drop off point is full and cars are queuing at the entrance to the drop off area, you need to drive to a nearby car park. Queuing or parking on Saxton Lane and Mill Street or Flax Lane is strictly not permitted due to the Ambulance station access next door.

**You may decide to plan your arrival route to start off at the nearby carpark and walk to the building with some belongings and collect your key, so there is no delay. It is less than a 3 minute walk back to the site. These directions will also be useful for longer term parking once you have unloaded.**

**The nearest Car Park is Quarry Hill Car Park**  
(Please bring change for the meters)

## Driving to Quarry House car park from Mill Street, Saxton Lane

### [Map and Directions](#)

**PLEASE CAN WE ASK PARENTS & GUARDIANS TO TAKE HOME MOVING IN BOXES AND RUBBISH**

**The waste bins will need to be free for the normal day-to-day operation of the building.**
