I (name)

Trading as

declare that all my properties and all the properties I manage meet the terms and conditions of the 2009-2012 Code for Shared Student Housing in the Student Private Rented Sector.

I further declare that my own conduct will be in line with that outlined in the Code.

I understand that information about my Code status is in the public domain and will be accessible to all those using Unipol Web system and will remain accessible up to three years regardless of my future membership of the Code.

You are joining the Unipol Code for the next three years. This is so that we can reduce the paperwork needed to make an annual declaration and make sure that you do not accidentally drift out of being in the Code between years.

A Note for Managing Agents

If all of your properties meet the standards of the Code then the managing agent can sign the Declaration below. If only some of the properties under management meet the standards then you can become a Supporter of the Code and can join individual properties to the Code. More information explaining the procedure for joining on this basis and this can be obtained from Unipol or downloaded from: www.unipol.bradford.org.uk/COS and click on the heading 'Managing Agents' on the left hand side bars.
